THE LEGACY PROJECT

COMMUNAL GIVEBACK + LEGACY OFFERING

The Communal Giveback is our Legacy Offering—a collective gesture of gratitude to the land and people who welcome us during Reign Week.

Rather than distributing gifts or money spontaneously during ceremonies, guests who wish to participate in giving back will be invited to contribute through this intentional Legacy Offering.

RESTORATION THROUGH ACTION

The Legacy Project reflects the values we want Reign Week to leave behind.

HEALING

RESTORATION

DIGNITY

ACCESS

LEGACY

OUR GIVING INITIATIVES MAY SUPPORT AREAS INCLUDING:

RESTORATIVE MEDICAL CARE

- Cleft lip and palate surgeries
- Hernia surgeries
- Restorative support for children in need

MATERNAL HEALTH

Support for maternal health, birth equity, postpartum restoration and initiatives that strengthen care for mothers and families.

This is particularly meaningful because maternal health is not simply a charitable category for us—it is **part of the work we are building and the legacy we intend to continue beyond Reign Week.**

THE CELEBRATION
SHOULD LIVE BEYOND
THE WEDDING.

GHANA ROYAL WEDDING
TRAVEL GUIDE

A NOTE OF GRATITUDE FROM THE ROYAL COUPLE

Our hearts are full.

Thank you for traveling near and far to Ghana
to stand beside us as we celebrate our union.

Your presence during Reign Week is a gift we will
carry with us long after the final celebration has ended.

You will be sharing more than our wedding.

You have experienced our cultures, witnessed our
traditions, celebrated with our families, and become
part of a chapter in our story that can never be recreated.

We hope you leave Ghana with beautiful memories,
new connections, a deeper appreciation for the people
and places that welcomed us, and stories you will
still be telling years from now.

As we begin this next chapter together, we are
profoundly grateful that you chose to be part of its beginning.

Thank you for coming.

Thank you for being part of our legacy.
